

# Ode To My Lipgloss

Ode to my Lipgloss  
Vicki-Secret 5 for \$20 sale  
The thought of the beauty rush  
gives me a rush that I just can't ignore.  
Fruit Punch, Vanilla Mint, and I want Candy  
Flavors of my life and flavors of my gloss  
My lipgloss is what keeps my heart beating  
The feeling of the gloss clinging to my lips makes my heart skip two beats  
My lipgloss, the thought of it squeezing out the tube greeting my luscious lips  
makes my life worth while.  
The racks of gloss spin around and round  
As my hand touches over every tube I can smell every flavor  
i can taste the tingle of the Mint gloss as it touches the tip of my tongue when i speak  
The tingle of my soul being open up  
I find my true friend in life every time I walk into the pink and red store  
The store that opened my eyes to a dream and a life I never knew  
Before the sale all I knew was Lip-Smackery and Roll-Ons  
Artificial flavors and flowers in tubes  
But now It's a rush for my lips...  
A Beauty Rush  
...And I owe it all to the sale  
the Vicki-Secret sale  
the 5 for 20 sale  
The sale that changed my life  
This is My Ode
