

# Liberia: Home of the Slaves

"U.S v. Britain"

The United States, colonized Liberia. The capital of Liberia is names by a U.S president James Monroe, making the capital Monrovia.

"It was founded by freed American slaves and 5 percent of its population is descended from them (The U.S. Role in Liberia)".

1817-Present

The currency in Liberia is American Dollars. Indeed, some analysts compare the situation in Liberia to Somalia in 1992, where the U.S. committed 28,000 peacekeeping troops with disastrous results.
