

# Comida de Chile

By James, Xavier, Saamir, Harrison and Anthony

# Country

Chile was originally under the control of the Incas and Araucanos before the conquest of the Spanish. In 1818, Chile won its independence from Spain. In 1970 Salvador Allende became the first president changing Chile into a non-communist country. In 1973 Allende was killed ending the constitutional government in Chile.

# Geography

- Longest country in South America.
- Neighbored by Bolivia, Argentina and Peru
- Along the coast, close to the Pacific Ocean.

# Culture

- Spanish colonial elements and indigenous elements.
  - Mapuche
- Dances, Arts, and Books
  - Cueca, Chilean Academy of Painting, Pablo Neruda

# Types of Food

- Because Chile is a coastal country, many of their dishes involve fish and other types of seafood.
- Because they're grown natively, Potatoes, Maize, Avocado and Olives are common in a variety of Chilean dishes
- In Northern Chile, dishes are heavily influenced by Native American and Mesoamerican cultures.

# Restaurant

Our restaurant is located on one of the many bustling streets in Chile's capital, Santiago. It serves a variety of traditional Chilean dishes and drinks, while providing patrons with a lively atmosphere and live music. It makes all our customers feel as though they are taking a tour through the greatest and most interesting parts of the country of Chile.
