

Argentina

Gil, Zoë, Claire and Shawn

About the Country

- Southeastern South America
- Eighth-largest country in the world
- Largest Spanish-speaking country in Latin America

Influences

- Roots in Spanish colonization, beginning in 1512
- Multicultural country with significant European influences
- European influences can be found everywhere in the Argentine art, architecture and lifestyle
- Indigenous American traditions have been absorbed into the general culture also

Geography

North- swampy and partly wooded

South- fertile Pampas (fertile South American lowlands), which are rich in agriculture and sheep- and cattle-grazing and support most of the population.

Further south is a arid region with some wooded and fertile sections.

Culture (Deportes)

Five teams called "Los 5 grandes" and are the elite of the Argentinian football tournaments:

- Boca Juniors
- River Plate
- Racing Club
- Independiente
- San Lorenzo

Argentina vs. Brasil

(start at 11:45)

Arte

- Important cultural pole, with countless museums and art galleries
- Vigorous theater community.
- Their cinema has been internationally praised and commonly used as a vehicle to disclose the horribleness of the last military dictatorship.

¡Comida!

- Wide variety of Indigenous and Criollo creations
- Empanadas, locro (a mixture of corn, beans, meat, bacon, onion, and gourd), humita and mate.
- Highest consumption of red meat in the world, traditionally prepared as asado, the Argentine barbecue.
