Collaboration with Emily Jenson

Witch Doctor

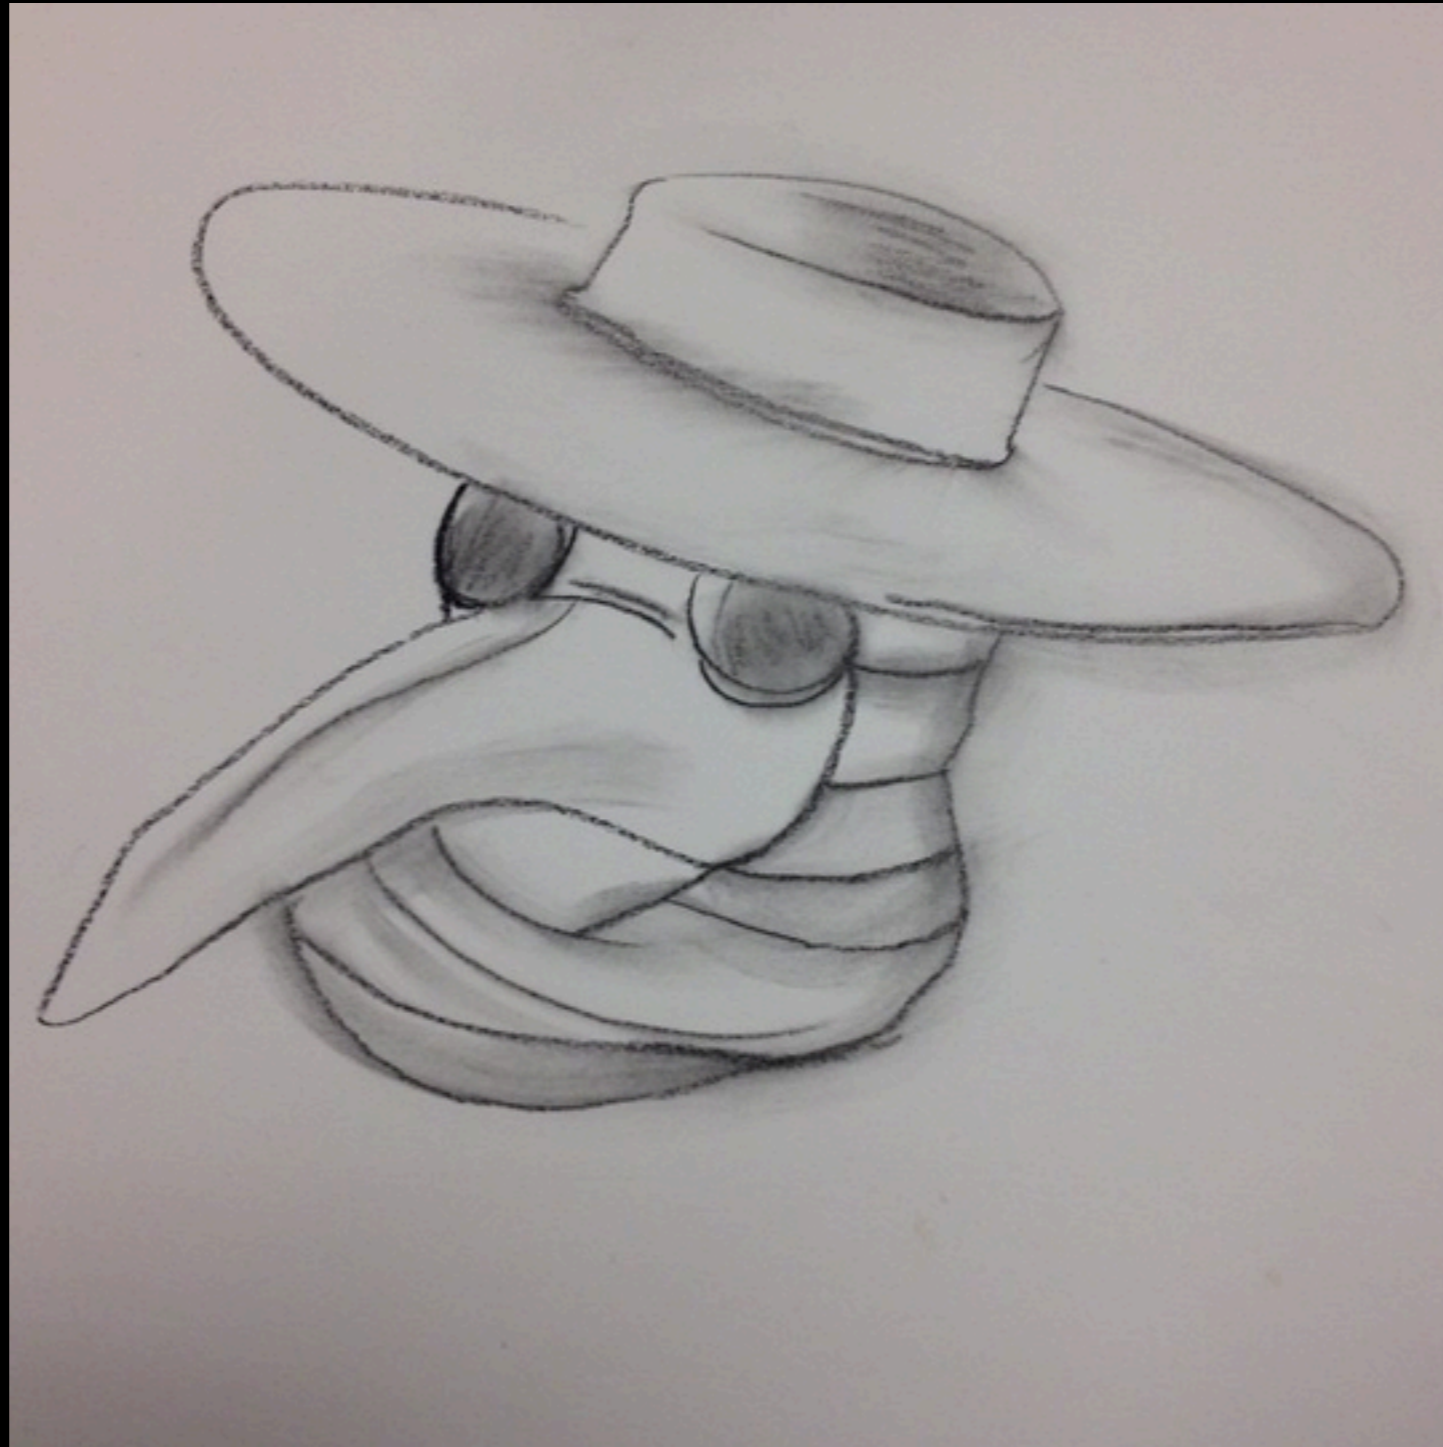

Helmet

Though I wasn't able to finish this piece it was still fun to start on and continues to be a work in progress.

Plaque Doctor

With light coal

The following photos are from my trip to Pittsburg for the
TSA State Competition.

Marshal's Album Cover

Eerie foggy road

Though my collection is small, I treasure every piece.
They all have their stories or reasons for being captured.
And that is art.

Thank you
