Perhaps the most popular rap group of all time Run DMC changed the way people listened to rap. The first rap album to go Gold, Platinum, and endorse sneakers, their popularity opened the door for albums like Power.

What can't you say about this group of powerful voices and messages. Straight Outta Compton is an album chalk full of explicit messages that push the boundaries of rap like never before. This controversial rap album debuting songs such as "Fuck the Police", much like Power, takes the voice of rapping to new heights.

This album chalk full of hits brought al kinds of new audiences to enjoy the rap sound. Power. has reached out and touched all of it's listeners and this album did the same in it's day.
