

The Life behind a computer screen

```
string user_name = "root";  
string password = "root";  
if (user_name == "root" && password == "root")  
    cout << "Access Granted!" << endl;  
else  
    cout << "Access Denied!" << endl;
```

ACCESS GRANTED

NOT ALL ART WILL GO
DOWN IN HISTORY

Just because you use
the 'Lucida Console' font with
a green colour
with a black
background
does not prove you are a 'hacker'!

smile
you are designed to
