I want any young men who buy a gun to be treated like young women who seek an abortion. Think about it: a mandatory 48-hours waiting period, written permission from a parent or a judge, a note from a doctor proving that he understands what he is about to do, time spent watching a video on individual and mass murders, traveling hundreds of miles at his own expense to the nearest gun shop, and walking through protestors holding photos of loved ones killed by guns, protestor who call him a murderer.
