About Me

I am from North Philadelphia, 27th & Susquehanna to be exact, but I moved to "Uptown". I currently live with my Mother

I like to play sports. I am a member of the Ultimate Frisbee Team

I am 14 years old.
I have two little brothers

I also enjoy playing Ps4.

Plus I do like to cook and watch television

What I changed

Usually in past presentations, I have made my slides “Boring” as Ms. Hull would say. But thanks to her constructive criticism I have tried using some new things such as different colored words to make the presentation more attractive , I highlighted important topics and included pictures. I also gave some of my sentences colored borders.
