

A fantasy illustration of a large, red and orange dragon breathing fire at a knight. The knight is wearing a red and black outfit and holding a sword. The scene is set in a rocky, cavernous environment with a bright light source behind the dragon, creating a dramatic, high-contrast atmosphere. The dragon's mouth is wide open, showing sharp teeth and a glowing interior. The knight is standing on a rocky ledge, looking towards the dragon. The overall style is reminiscent of classic fantasy art.
