Summary

Set in Scotland the play *Macbeth* follows the harrowing tale of Macbeth, a scottish thane. He finds out that his destiny is to become the king of Scotland. The journey to the crown was one filled with chaos. *Macbeth* is a staple to a good theater experience. If you want to watch a play filled with action, drama and full betrayal. Then Macbeth is the right play for you!

Stage

Our group decided to use the Walnut street theater as the location. We chose this because it's already a theater venue and it's in the city which makes it accessible. One thing we are changing is the shape of the stage. We would try to recreate the original Globe Theater from Elizabethan Times. This was decided to make the play more authentic.

Coming soon in 2018!

The Incredibles 2

Come join the Incredible family on a whole new journey in crime-fighting against a new villain, The Underminer.
