

## Interview Questions & Answers

Q1: How long have you been in law enforcement?

Answer: "I have been in Law Enforcement for 13 years."

Q2: What is your professional opinion on the subject of Police Brutality?

Answer: "I know hate is strong but I hate police brutality."

Q3: Have you ever been in a situation where you were accused of Police Brutality?

Answer: "I have never been accused of Police Brutality."

Q4: What training and learning does law enforcement receive about the subject?

Answer: "There are different training classes every year that we must attend."

Q5: Lots of people argue that police brutality is often based on racial bias. What do you think of this?

Answer: "I dont think its racial...I think its more lack of training and lack of background checks prior to hiring."

Q6: How do you think Police Brutality can be changed?

Answer: "I think it can be changed if Police did more community policing, showing that they are average people getting to know the people in the community that they work in."
