

INFORMATIONAL WORKSHOP ON INDUSTRIAL FARMING

An informational workshop being held to inform food consumers of the truth behind brands' produce labels, which brands/labels to support and which ones to avoid, and how to stay an omnivore without contributing to the issue.

Held by a high school freshmen vegetarian - but people of all ages and food diets are welcome!

Location: Science Leadership Academy Center City
55 N 22nd St Philadelphia, PA 19103

Date: Thursday May 17th

Time: 5pm - 7 pm

Contact: zkwasnicki21@scienceleadership.org
