

ASIAN FETISHIZATION

SOME PEOPLE WHO ARE NOT ASIAN HAVE FORMED A FETISH, AND WANT TO DATE SOLELY PEOPLE WHO ARE ASIAN

OTHERS IN SOCIAL MEDIA CREATED THE FOX CHALLENGE WHERE THEY WOULD TRY TO IMITATE THE ASIAN EYE BY PULLING THEIR EYES BACK

PEOPLE HAVE BEEN MORE INSENSITIVE WANTING TO BE A PART OF THE ASIAN IMAGE DESPITE NOT BEING ASIAN THEMSELVES.

Because of the rise in Asian representation through K-pop, and through Hollywood, more people have begun to idealize the asian image

People like to idealize only the North Eastern part of the asian image that represent fair skin rather than South Eastern asians who are darker in skin.

YOU ARE WELCOME TO BE INTERESTED IN VARIOUS ASIAN CULTURES, BUT DON'T BE OBSESSED WITH JUST THE IMAGE ASPECT OF HOW ASIANS LOOK!

My friend made a website about Vietnam, come check it out!
