

By now, class is completely online (normal).

April

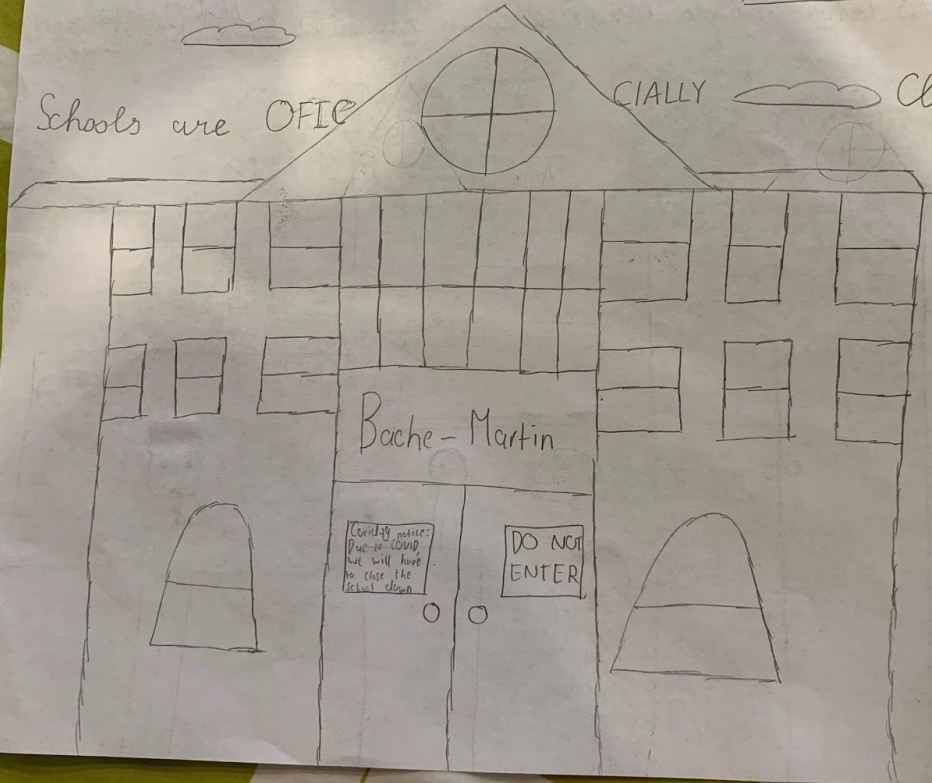

This was before schools closed and we all joke about Covid... KARMA February

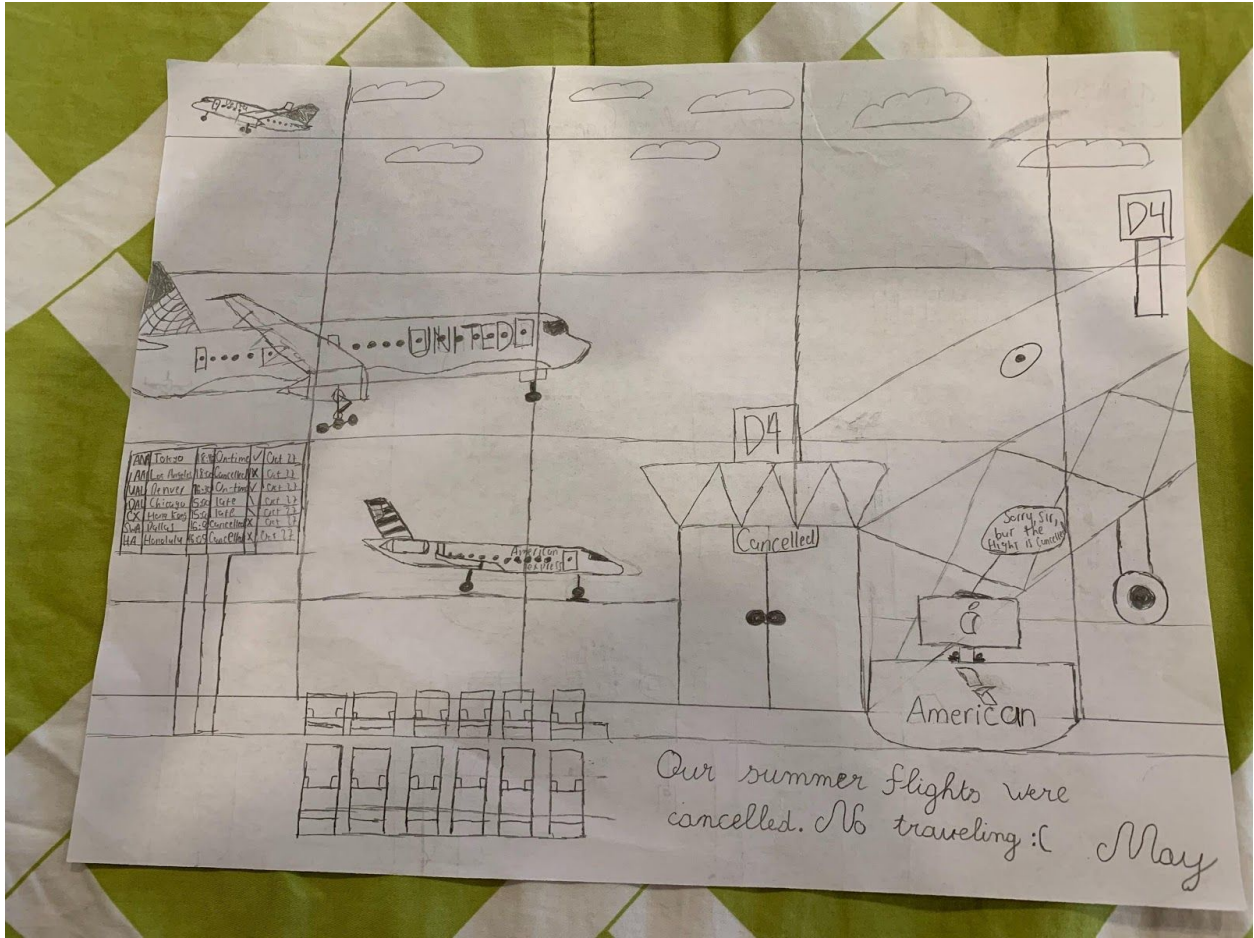

March

Schools are OFFICIAALLY Closed.

County notice:  
Due to COVID  
we will have  
to close the  
school down

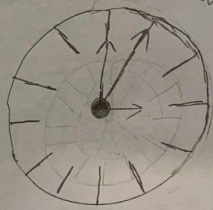

DO NOT  
ENTER

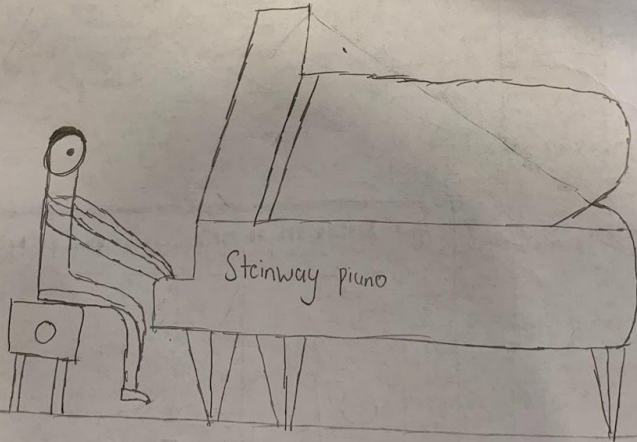

Our summer flights were cancelled. No traveling :( May

This picture is a lot simpler than other months because in truth, I didn't do much except practicing a WJ. Besides, I can't go outside with all the protesting,

June

COVID is "stewing down" exper says. Protesters are becoming violence.

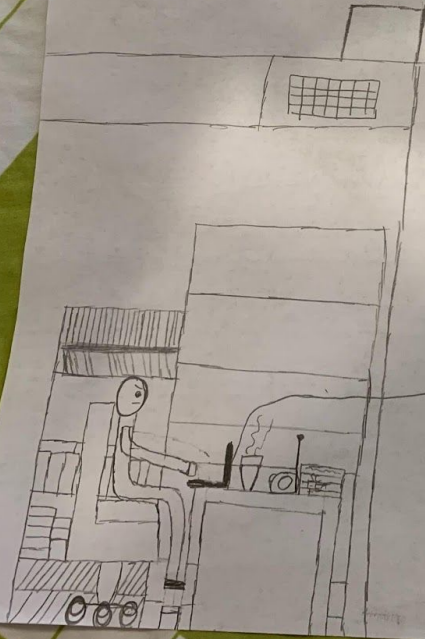

We went shopping and everyone had to wear mask. August  
(school)  
Despite that, school supplies still disappeared, like every year.

Things got worse. October  
 My house was vandalized, and  
 on Halloween, the street  
 was quiet. I began opening  
 the windows and letting  
 people hear my music.
