

# MY PLANTER

Lisjen Abedinaj

**These is the tools that I used to put all the wood together and create the bed frame of the planter.**

**These are the wood legs  
of the planter. This was  
the first step of putting  
together all the parts.**

**This was when I  
was 80% finished  
with the  
framework**

Here the framework was completed

**This was the part  
where I was ready to  
plant the flowers**

**This is the soil that I  
used to plant the flowers**

Here I'm  
planting the  
flowers

**Final Product**
