Cureus. "Role of Art Therapy in the Promotion of Mental Health: A Critical Review" August 15, 2022.

This article focuses on how art can impact mental health. It can be a way for people to cope. This reading lists the names of ways art helps people with different mental illnesses. It also talks about the history of art's effect on health too. They mention how art also helps people become more social and how art helps people express themselves.

<https://www.magazine.artconnect.com/resources/organize-your-own-exhibition>

Oliver Dougerty. "Organizing Your Own Art Exhibition: ArtConnect Magazine." ArtConnect, April 24, 2023.

This is just explaining the steps to setting up an exhibit. This will be helpful for me since this will be my first show that I am in control of. It is just listing off some useful pointers on how to organize an art show.

<https://www.daslia.com/different-kinds-of-painting>

Daslia. "9 different painting techniques that will inspire you" January 24, 2024.

There are a lot of different ways to paint, and that is what this article lists off. These are just different methods of painting. Like watercolors, oil paint, ink painting, and such. It also explains how to use them.

<https://artbusinessnews.com/2017/11/7-design-tips-for-how-to-hang-your-art-for-a-show/>

Art Business News. "7 Design Tips for How to Hang Your Art for a Show." November 5, 2019

This gives me pointers of how I can hang artwork. Either to match other pieces or to stand out. Some people frame the work and some don't. Hanging art at eye level to catch attention is useful too. This is a great source to get ideas on how to put up work.

Oilpixel. "Art Makes You Happier & Healthier: OilPixel - Digital Oil Painting Studio." October 18, 2021.

Art is therapeutic. Art isn't only drawing, it can be many things. This article says how engaging with creativity and gives people a mental boost. Art helps people cope with life and keep them content. It improves people's state of mind.

<https://seasideart.com/blogs/blog/7-easy-and-fun-ways-to-display-art#:~:text=Try%20displaying%20your%20art%20on.an%20even%20more%20dramatic%20setting.>

Seaside Art Gallery. "7 Easy and Fun Ways to Display Art." January 24, 2024.

This mentions how contrast between the art and its surroundings make the set up look. This article is similar to the Art Business News one. Only difference is that this talks about the art piece, not how to set up the whole exhibit.

<https://www.academicentertainment.com/tips-and-ideas-for-hosting-a-student-art-show-for-elementary-school/#:~:text=Use%20color%20schemes%20to%20make,rainbow%20using%20different%20art%20pieces.>

Academic Entertainment. "Tips & Ideas for Hosting a Student Art Show." April 25, 2023

This is just a huge overview of how art shows are put together and why in schools. It also gives some possible ideas on how to make a school art show interesting.

<https://www.youtube.com/watch?v=3-U9U3eoM0o>

KevinOilPainting. "Free Beginner Painting Lesson: Brush strokes" 2018

This is a video of a man showing different brush techniques. He also shows how to control how much paint is on the brush and canvas. The placement matters as well.

<https://www.creativelive.com/blog/easy-drawing-ideas/>

CreativeLive Blog. "60 + Easy Drawing Ideas For Your Sketchbook." August 03, 2023.

This is an article just showing some ideas of what to draw. That is all. Just some inspo.
